ESTATE WINES

Grüner Veltliner 2021

TASTING NOTE:

The wine's pale and clear appearance belies a bright burst of fruit on the nose. Notes of passion fruit, grapefruit and pineapple abound. An undertone of sweet vanilla adds depth. In contrast to the flavorful nose, the wine is light-bodied with subtle fruit flavors on the palate, leaning towards fresh green apple notes to compliment the crisp and exquisitely balanced acidity. The aftertaste is clean and fresh. Overall this is a very fruity and refreshing wine.
