## Reserve Chenin Blanc 2019

### TASTING NOTE:

This golden coloured wine has rich fig and peach notes and a hint of oak spice on the nose. On a delectably fruit-forward palate, its sweetness balances out the fresh acidity. A full-bodied and rounded wine with well-integrated oak flavours and a lingering tropical fruit aftertaste. 30% Matured in New French Oak barrels and 70% aged in older French Oak barrels.
